Meet Summer

A lifetime Cincinnati resident, my husband and I live in Madeira with our two dogs, George & Hazel. In our spare time, we love to cheer on the Bengals and catch up on the newest Cincinnati restaurants.

A Cincinnati Story

It all started in the front seat of Chevrolet somewhere in the early 1980's. Summer's grandmother was a Sibcy Cline agent and on occasion she would end up in the car with her grandmother headed to an appointment. It was a very different time (seat belts optional) so in order to see above the dashboard her grandmother would pile up MLS listing books- which at the time were the size of an also now nearly nonexistent phone book for her to sit on. As she got a little older Summer grew to admire the career her grandmother had built especially given her very modest upbringing. The daughter of two small successful business owners Summer always knew she wanted to be in business for herself, her entrepreneurial spirit was alive and well.

Many years later her husband and father-in-law
