Representing Buyers & Sellers

You need a partner who knows the neighborhoods, the market and the process. Who can advise you when to think on it, sleep on it or go all in on it. Because this is about much more than bricks and sticks. This is about your future home. And you don't want to live with it. You want to love it.

Condos & Downsizing

Thinking that an urban, walkable community with no maintenance is the next step for you? No matter if you are a young professional or looking to downsize into a condo. There is a lot to consider when purchasing a condo. Put my extensive experience with condos on both sides of the Ohio river to work for you.
