## Testimonials

### Patience and understanding...

*"Gary and Regina worked very hard to get this house sold. I appreciate tremendously the patience and understanding they provided in dealing with my mother who, like many have a difficult time "letting go" of the home where they raised their children. Thanks, Gary and Regina!"*

- Diana D.

### Simply the best...

*"Regina and Gary are simply the best! We tried selling our house in Covedale last year with no success (and no offers). We listed with Team Hamilton this year and had around 15 showings and two offers! We couldn't be happier!"*

- Elizabeth T.

### I was impressed...

*"Team Hamilton made the sale of our house very easy. I was impressed by their marketing plan and resources. It was a chaotic time for our family, planning a move, searching for a rental, and expecting a baby, and they went above and beyond to make everything related to our house as stress-free as possible. Thank you Gary and Regina!"*

- Emily W.

### Wonderful experience...

*"Team Hamilton was amazing, they listed and sold my home in seven days. What a wonderful experience it was working with Gary and Regina."*

- Larry B.

### Professionalism and knowledge...

*"I would like to thank Team Hamilton for helping me sell my home and buy my existing home. There were many complications and thanks to their professionalism and knowledge in the field, everything worked out. Thanks Team Hamilton!"*

- Randy

### Went above and beyond...

*"Team Hamilton went above and beyond to close my deal. I will use Regina for all of my real estate needs in the future, and I have already recommended her to family and friends. Thank you so much!"*

- Jonathan H.
